**EIGHTH REQUEST FOR AN EXTENSION OF
TIME TO FILE NOTICE OF OPPOSITION**

The Honorable Commissioner of Trademarks
Washington, D.C.

SIR:

Previous requests for extensions of time were granted up to September 4, 2003. Celestica International Inc. now hereby respectfully requests a further thirty (30) day extension until October 4, 2003 to file a Notice of Opposition.

As noted in the previous request, the parties have now reached an agreement in principle. Although it was thought that the previous request would be the last one, more time is necessary to finalize the agreement. Draft agreements are now being circulated after which time will be required for execution by the parties (with both being located in foreign countries) and for amending the identification of services.

Karol A. Kepchar, Esquire, the attorney for Applicant has consented to this request.

This request is being filed in triplicate.

Respectfully submitted,
LARSON & TAYLOR, PLC
