**NINTH REQUEST FOR AN EXTENSION OF
TIME TO FILE NOTICE OF OPPOSITION**

The Honorable Commissioner of Trademarks
Washington, D.C.

SIR:

Previous requests for extensions of time were granted up to October 4, 2003.

Celestica International Inc. now hereby respectfully requests a further two (2) week extension of time until Monday, October 20, 2003 to file its Notice of Opposition.

Late last week, it appeared that discussions between Celestica International Inc. and the Applicant had essentially broken down and Applicant's attorney advised that she was not authorized to grant any further extensions.

Earlier today, the undersigned contacted Applicant's attorney to advise that the undersigned was willing to concede on an issue that was very important to Applicant and requested that Applicant's attorney agree to a short further extension to further explore settlement in view of this development.

While Applicant's attorney indicated a willingness to conduct further discussions and an appreciation that it would be preferable to resolve this matter short of the initiation of a Notice of Opposition, she indicated that she had no authority at this time to agree to an extension.

Therefore, Celestica International Inc. hereby requests this short further extension without Applicant's agreement but with the good faith belief that further discussions will cause a settlement and thereby obviate the need for filing the Notice of Opposition.

This request is being filed in triplicate.

Respectfully submitted,
LARSON & TAYLOR, PLC
