The reason for this request is that additional time is required to further investigate this matter and to discuss it with our brand management. Because of additional conflicting demands of U.S. and international litigation it is anticipated that in-house counsel and management will need additional time to discuss the disposition of this case. For this reason, we request the additional extension of time to prepare the necessary papers and to secure their execution by the Petitioner, if we deem it appropriate.

The request is not made for the purposes of unduly delaying proceedings in the Patent and Trademark Office.

This request is made in triplicate.

Respectfully submitted,  
KELLOGG COMPANY
