The notice dated June 19, 2003, indicated that no further extensions will be granted in this matter in the absence of a detailed explanation reciting what progress the parties have made toward resolving this matter. In this regard, the parties have finalized their negotiations in connection with a Concurrent Use Agreement and are in the process of consummating the Agreement. The parties are seeking to resolve this matter amicably, and the additional extension of time is necessary for the parties to consummate the negotiated Concurrent Use Agreement.

The extension of time to oppose was consented to by William D. Breneman, attorney for Applicant, during a telephone conference on January 4, 2005.

Favorable action on this request is respectfully urged.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "H B Ward III", written over a horizontal line.
