**STIPULATED AGREEMENT FOR AN EXTENSION
OF TIME TO FILE NOTICE OF OPPOSITION**

Sir:

Because 120 days have expired since the above referenced application was published and pursuant to TBMP §207.03, the parties have entered into a stipulated agreement that the time to file a Notice of Opposition to the above application be extended thirty (30) days, up to and including **August 31, 2003**. A. Jason Mirabito of Mintz Levin Cohn Ferris Glovsky, attorney for the Applicant, has agreed to this extension in a voicemail message on July 29, 2003 with the undersigned so that the parties would have sufficient time to continue their discussion of settlement possibilities, which might obviate the need to proceed with an opposition.

A copy of this stipulation is also being served on Applicant's authorized representative,
A. Jason Mirabito.

¹ Wonderware Corporation recently merged with Invensys Systems, Inc., and the merger documents have been filed with the USPTO Assignment Branch. Invensys is currently awaiting the reel and frame number.
