Opposition No. _____

**STIPULATED AGREEMENT FOR AN EXTENSION
OF TIME TO FILE NOTICE OF OPPOSITION**

Sir:

120 days have expired since the above referenced application was published and pursuant to TBMP §207.03, and the parties previously entered into stipulated agreements extending the time to file a Notice of Opposition to the above application for thirty (30) days, up to and including November 29, 2003. The parties have entered into a stipulated agreement that the time to file a Notice of Opposition to the above application be extended thirty (30) days, up to and including **December 29, 2003**.² In a voicemail from Carol Peters at the office of A. Jason Mirabito of Mintz Levin Cohn Ferris Glovsky on November 26, 2003, counsel for the Applicant indicated their agreement to this extension so that the parties would have sufficient time to continue their discussion of settlement, which might obviate the need to proceed with an opposition.

¹ Wonderware Corporation recently merged with Invensys Systems, Inc., and the merger documents have been filed with the USPTO Assignment Branch. The reel and frame number is 2700/0705.

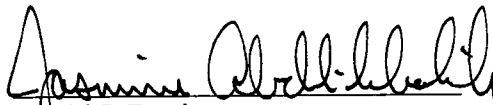

² Under 37 CFR §1.7 and §112 of the Trademark Trial and Appeal Board Manual of Procedure, this stipulation is timely because the deadline fell on the Saturday prior to the filing date, Monday, December 1, 2003.

As required in the Board's order of November 13, 2003, the parties state that they exchanged information during the first three months and began to discuss settlement possibilities. In September, Opposer's in-house counsel changed, which required familiarizing the new attorney with the facts. On October 2, 2003, Opposer proposed in writing a settlement agreement. Applicant responded in a telephone conference call on October 29, 2003, where the parties agreed on one point and disagreed on the second prong of the settlement proposal. At present, Applicant is conferring with its client to develop a counterproposal for settlement of this matter as well as considering a possible modification of the original proposal.

A copy of this stipulation is also being served on Applicant's authorized representative,
A. Jason Mirabito.

Respectfully submitted,

BAKER & McKENZIE
