**STIPULATED AGREEMENT FOR AN EXTENSION
OF TIME TO FILE NOTICE OF OPPOSITION**

Sir:

More than 120 days have expired since the above referenced application was published and pursuant to TBMP §207.03, and the parties previously entered into stipulated agreements extending the time to file a Notice of Opposition to the above application for thirty(60) days, up to and including June 26, 2004. The parties have agreed on a proposal and have entered into a stipulated agreement that the time to file a Notice of Opposition to the above application be extended thirty (30) days, up to and including **July 26, 2004** while the agreement is finalized. Carol Peters at the office of A. Jason Mirabito of Mintz Levin Cohn Ferris Glovsky, counsel for the Applicant, confirmed their agreement in a telephone conversation of June 25, 2004 so that the parties would have sufficient time to finalize and sign the settlement agreement, which obviate the need to proceed with an opposition.

¹ Wonderware Corporation recently merged with Invensys Systems, Inc., and the merger documents have been filed with the USPTO Assignment Branch. The reel and frame number is 2700/0705.

As required in the Board's order of November 13, 2003, the parties state that AS OF June 25, 2004, the parties have now verbally agreed upon a settlement of this matter and merely need some additional time to draft and execute a signed agreement.

A copy of this stipulation is also being served on Applicant's authorized representative,
A. Jason Mirabito and Carol Peters.

Respectfully submitted,

BAKER & McKENZIE
