The request for a 90-day extension of time to oppose filed August 20, 2003, on behalf of Megalo Media, Inc. is noted.

The request has been carefully reviewed, but it is believed that the reason set forth therein constitutes good cause for only a 60-day extension of the opposition period.

Accordingly, Megalo Media, Inc. is allowed until **October 15, 2003**, in which to file an opposition to the registration sought by applicant.

. . . extensions of time to file an opposition aggregating more than 120 days from the date of publication of the application will not be granted except upon (1) a written consent or stipulation signed by the applicant or its authorized representative, or (2) a written request by the potential opposer or its authorized representative stating that the applicant or its authorized representative has consented to the request, or (3) a showing of extraordinary circumstances, it being considered that a potential opposer has an adequate
