**REQUEST FOR EXTENSION OF TIME
TO FILE NOTICE OF OPPOSITION**

Pursuant to 37 C.F.R. §2.102(c)(1), on behalf of our client it is respectfully requested that the time to file a Notice of Opposition to the above applications be extended an additional thirty (30) days, up to and including **February 25, 2004**.

Potential opposer is still investigating whether to institute formal opposition proceedings against these applications. The extension of time is needed to complete the investigation and to allow potential opposer and its counsel time to confer regarding these matters.

It is believed that the above statement is good cause within the meaning of Section 13 of the Trademark Act of 1946 giving the Commissioner discretion to grant the requested extension.

Respectfully submitted,

BAKER & McKENZIE
