THIRD REQUEST FOR EXTENSION OF
TIME TO FILE NOTICE OF OPPOSITION

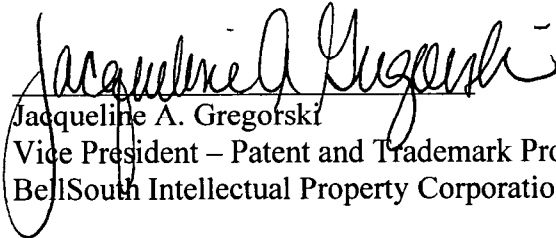

Trademark Trial and Appeal Board
Arlington, VA 22202-3513

TO WHOM IT MAY CONCERN:

BellSouth Intellectual Property Corporation, 824 Market Street, Suite 901,
Wilmington, Delaware 19801, as assignee of certain trademarks rights from BellSouth
Corporation, by and through its attorneys, and pursuant to the provisions of Trademark
Rule 2.102, 37 CFR 2.102, respectfully requests an extension of time of thirty (30) days,
up to and including **November 14, 2003**, within which to file a Notice of Opposition to
the above-referenced application on the ground that the potential opposer may be
damaged by registration of the mark on the Principal Register. As good cause for the
length of the extension of time, the potential opposer states that this extension is needed
so that the potential opposer may investigate possible settlement options with applicant.

Applicant's counsel, Angela McGuire, consented to this extension.

Respectfully submitted,

Jacqueline A. Gregorski
Vice President – Patent and Trademark Procurement
