U.S. Patent & TMO/TM Mail Rcpt Dt. #22

Request for Further Extension of Time to Oppose Pursuant to Trademark Rule 2.102

Henry Tien and the American University of the Caribbean, N.V. (the "potential opposers") each with an address of 9 Topaze Road, Pelican Key, St. Maarten, Netherlands Antilles, request an additional 60-day extension of time (to January 29, 2004) in which to oppose registration of the above referenced mark.

As grounds in support of this request for extension of time to oppose, the potential opposers state that the Document Services section of the USPTO took 58 days (instead of the normal 25 days) to send the file wrapper to the potential opposers. As a result, they need additional time to investigate this matter to determine if any action should be taken.

This request for extension of time is not made for purposes of delay and they respectfully request that it be granted and that the time for filing an opposition be extended to January 29, 2004. You may send all correspondence to the potential opposers at the following U.S. forwarding address: 5660 S.W. 58 Place, Miami, Florida 33143. All correspondence send to this address will be forwarded to them in St. Maarten.

Respectfully submitted,

Henry Tien
