Commissioner for Trademarks
2900 Crystal Drive
Arlington, VA 22202-3514

04-12-2004
U.S. Patent & TMOfc/TM Mail Rcpt Dt. #64

Sir:

In connection with the above-entitled application, Immunex Corporation requests an extension of time in which to file a Notice of Opposition for thirty (30) days, to and including May 17, 2004.

An investigation of the above-identified application has commenced. Potential Opposer has received a signed execution copy of the settlement agreement from Applicant for its review/signature, and this request will allow potential Opposer sufficient time to review and sign the settlement agreement.

Counsel for Applicant, Thomas Small, agreed to this request in an e-mail message to Christina L. Martini, one of the attorneys for potential Opposer Immunex Corporation, on April 7, 2004.

It is therefore respectfully requested that an extension of time to file a notice of opposition be granted to enable potential Opposer's review/signature of the settlement agreement and, if necessary, to enable potential Opposer to prepare and file a Notice of Opposition.

Respectfully submitted,

PIPER RUDNICK LLP
