The requests for a 30 day extension of time to oppose filed December 3, 2003; January 1, 2004; January 29, 2004 and March 3, 2004, on behalf of Mars, Incorporated, are noted.

However, the requests have not been associated with the file of this case at the time the subject application matured into **Registration No. 2808208**. The Board regrets this situation, but it is without authority to vacate the issuance of said registration.

Accordingly, the Board will forward the application file to the Office of the Commissioner for Trademarks for consideration of the cancellation of the inadvertently issued registration, following which further appropriate action will be taken with respect to the request to extend time to oppose.

Because potential opposer's extension requests include [**applicant's consent**/a showing of extraordinary cause], its requests are granted to the extent that potential opposer is allowed until **05/02/2004** in which to file an opposition. **No further extensions will be permitted.**

Note that the Board will not suspend the time for filing a notice of opposition for any reason. TBMP § 209.01 (2d ed. June 2003).
