REQUEST FOR EXTENSION OF TIME FOR FILING NOTICE OF OPPOSITION

In the matter of the above identified application which was published in the Official Gazette of the United States Patent and Trademark Office on November 2, 2004, Heartwood, Inc., a corporation organized under the laws of the State of Washington, having a principal place of business at 1414 S. Director Street, Seattle Washington 98108, requests that the time for filing a notice of opposition to the registration of the application be extended for a period of ninety (90) days, until and through March 2, 2005.

The foregoing extension of time is not requested for purposes of delay, but rather to permit Heartwood, Inc. a reasonable period of time in which to obtain those facts necessary to (1) determine all appropriate grounds for filing Notice of Opposition to the registration of the mark set forth in the application and (2) evaluate the option of settlement as an alternative thereto. There is good cause to grant the foregoing request for extension of time in view thereof.
