The Office has reassigned this application to the undersigned trademark examining attorney.

Applicant is requesting reconsideration of a final refusal dated 7/28/2006.

Request for Reconsideration Granted as to Reg. No. 2168775

Applicant's request for reconsideration of the Section 2(d) refusal as to Reg. No. 2168775 is *granted*. The Section 2(d) refusal as to this mark is hereby WITHDRAWN.

Request for Reconsideration Denied as to Reg. No. 1655919

The trademark examining attorney has carefully reviewed the request for reconsideration and is not persuaded by applicant's arguments. No new issue has been raised and no new compelling evidence has been presented with regard to the point(s) at issue in the final action. TMEP §715.03(a). The assigned examining attorney has again considered the marks at issue and the respective services of the parties. Therefore, the request for reconsideration is **denied** and the final refusal under Section 2(d) is continued. 37 C.F.R. §2.64(b); TMEP §715.04.

The filing of a request for reconsideration does *not* extend the time for filing a proper response to the final action, which runs from the date the final action was mailed. 37 C.F.R. §2.64(b); TMEP §§715.03 and 715.03(c).
