Eric McWilliams, Supervisory Paralegal:

A review of the record in this application shows that on July 14, 2005, potential opposer KETO, LLC forwarded a fax copy of an unsigned notice of opposition that was also dated July 14, 2005. There was no proof of a previously filed notice of opposition, by way of a declaration of timely filing, nor was there a copy of a previously filed notice included with the documents submitted on July 14, 2005.

The Board is unable to determine from the documents submitted if there was a timely opposition submitted prior to the deadline for filing such.

Accordingly, the application is released to Trademarks for appropriate processing. It is noted that on October 12, 2005, applicant filed an abandonment of its application which appears in the application record. The abandonment will be brought to the attention of Trademarks for appropriate processing.
