Serial No. 76695792

In re USCANTEEN INC.

Before Bucher, Kuhlke and Walsh, Administrative Trademark Judges.

Although not signed by an officer of applicant, we construe the submission of May 27, 2010, as applicant's revocation of power of attorney to Mr. Myron Amer. Furthermore, we note that there is still no explicit appointment by applicant of Mr. Lawrence F. Spirn of the law firm of Spirn & Spirn as applicant's new trademark counsel in this matter.

Nonetheless, in the absence of a request to the contrary, directly from applicant, by July 6, 2010, we will decide this appeal on the basis of legal positions taken earlier by Mr. Amer. In view of the evolving (and most frustrating) circumstances of this case, this notice is addressed to applicant with a copy to Mr. Lawrence F. Spirn of the law firm of Spirn & Spirn.
