MOTION TO RESUME PROCEEDINGS AND DISMISS APPEAL AS MOOT

Pursuant to Sections 1212 and 1213 of the Trademark Trial and Appeal Board Manual of Procedure, applicant, Sauder Woodworking Co., hereby moves that the proceedings be resumed and that the appeal be dismissed as moot on the following grounds.

The proceedings were suspended on December 9, 2009, pending the renewal of Registration No. 2256093, cited by the trademark examining attorney as a Section 2(d) bar to registration of applicant's mark. The records of the U.S. Patent and Trademark Office indicate that the cited registration was cancelled/expired on January 23, 2010. The cited registration was the only bar to registration.

In view of the cancellation/expiration of the cited registration, it is respectfully submitted that this motion to resume the proceedings and to dismiss the appeal as moot should be granted.

The application is now in condition to be passed to publication and such action is solicited.

Date: February 2, 2010

Respectfully submitted,
