APPLICANT'S REQUEST FOR EXTENSION OF TIME TO FILE REPLY BRIEF

Pursuant to TBMP § 1203.02(d), ROC USA, LLC ("Applicant") respectfully requests a thirty (30) day extension of time to file a reply brief in support of its appeal of the Examining Attorney's refusal to register Serial Number 77/059,988. Applicant makes this request for good cause as Applicant's attorney is a law school professor whose semester has just begun, and subsequently, her course curriculum requires heightened focus during this month. As such, a thirty (30) day extension is requested for Applicant's attorney to adequately prepare a brief in reply to the Examining Attorney's Appeal Brief.

Respectfully submitted,
