Re: Undeliverable Mail

As the USPTO was the Office of Origin for your International Registration, the International Bureau has forwarded the enclosed undeliverable correspondence to the USPTO. The USPTO has not reviewed and does not have any responsibility for the contents of this correspondence. Any questions regarding the specific requirements or refusals contained therein must be directed to the issuing Office.

A request to record a change in the name or address of your previously appointed representative with the International Bureau must be made in writing. An unofficial form (MM10) that may be used to request such a change is available on the World Intellectual Property Organization's (WIPO's) website at <http://www.wipo.int/madrid/en/forms/>. A request to record a change in the name or address of the *owner* (or holder) of the International Registration, MUST be presented to the International Bureau on the official form (MM9) established by the International Bureau (or on a form having the same contents and format). Common Regulations Under the Madrid Agreement and Protocol, Rule 25(1)(iv). Submission of a change of address to the USPTO does NOT effect a change of address for the International Registration.

The USPTO cannot provide assistance in the prosecution or reinstatement of requests for extension of protection in designated contracting parties. You may wish to consult with a trademark attorney. The USPTO cannot aid in the selection of an attorney. 37 C.F.R. §2.11. You may also wish to refer to the WIPO website for further information on the regulations and procedures under the Madrid Protocol. <http://www.wipo.int/madrid/en/>.

Sincerely,
