60 Day Request for Extension of Time to Oppose for Good Cause

Pursuant to 37 C.F.R. Section 2.102, University of Southern California, University Park, ADM 352, Los Angeles, CA 90089-5013, UNITED STATES respectfully requests that he/she/it be granted an additional 60-day extension of time to file a notice of opposition against the above-identified mark for cause shown .

Potential opposer believes that good causes are established for this request by:

- The potential opposer needs additional time to investigate the claim
- *The potential opposer has attempted to correspond with the applicant by both U.S. Mail and email, using the contact information that the applicant provided to the PTO. Both attempts to correspond with applicant failed, and both were returned to potential opposer as undeliverable. The potential opposer also notes that the PTO attempted to correspond with the applicant, and the PTO's communication was also returned as undeliverable, as noted on the PTO's "TDR" database. The potential opposer's additional efforts to locate the applicant have also been unsuccessful thus far. The potential opposer therefore needs additional time in order to investigate the claim and/or continue its efforts to locate and confer with the applicant.*

The time within which to file a notice of opposition is set to expire on 01/03/2009. University of Southern California respectfully requests that the time period within which to file an opposition be extended until 03/04/2009.

Respectfully submitted,
