Applicant's request for remand filed October 15, 2009 is noted.

Inasmuch as the request for remand includes a showing of good cause, it is hereby granted. TBMP §1209.04.

The request includes amendments to the identification of goods in numerous classes.

In view thereof, action on the appeal is suspended and the application is remanded to the Trademark Examining Attorney for consideration of the amendments. If the amendments are accepted, the appeal will be moot and proceedings on the appeal will terminate in due course. If the amendment is found unacceptable, the Examining Attorney should issue an Office Action indicating the reasons why the proposed amendment is unacceptable and notify the Board,

which will then allow applicant time to file its appeal brief. However, if the Examining Attorney believes that the problems with the proposed identifications can be resolved, the Examining Attorney is encouraged to contact applicant, either by telephone or written Office Action, in an attempt to do so.
