REQUEST FOR RECONSIDERATION DENIED

ISSUE/MAILING DATE: 12/29/2009

Applicant is requesting reconsideration of a final refusal issued/mailed June 4, 2009.

The information request has been satisfied. Applicant's amended drawing description is accepted.

After careful consideration of the law and facts of the case, the examining attorney must deny the request for reconsideration and adhere to the final action as written since no new facts or reasons have been presented that are significant and compelling with regard to the point at issue.

Accordingly, applicant's request for reconsideration is *denied*. The final refusal under Section 2(d) of the Trademark Act, as it relates to the mark in U.S. Registration No. 3185573 is maintained because the marks are similar in appearance and commercial impression, and the relevant goods are related. Attached is additional cumulative evidence that supports the finding that the relevant goods of the parties are related. Applicant's amended description of the mark does not affect the finding that the applicant's mark and the registered mark both look like two facing C-shaped designs with one C facing forward and the other C facing backward.

The time for appeal runs from the date the final action was issued/mailed. 37 C.F.R. Section 2.64(b); TMEP Section 715.03(c). If applicant has already filed a timely notice of appeal, the application will be forwarded to the Trademark Trial and Appeal Board (TTAB).

Surf Boarder One Piece
Available in Tall Sizes

We borrowed this print from the Greek Isles and created brand new sun-loving styles for you to take with you on your retreats from ordinary life. The Surf Boarder One Piece is designed to subvert the myth that one pieces aren't sexy. With deep side cutouts, this suit looks like a two-piece from behind and has a deep v-neckline and removable soft cups for support and coverage. Rated UPF 50+.

Too long for petites

1/11/2009

I really like the style and overall appearance, but the length of the torso was too long, not appropriate for us shorter women :(

Wonderful suit

12/1/2009

Having never tried it on (obviously), this suit amazed me. Good coverage on the rear, sexy. I have a long torso and this fit just right. Beautiful colors. I highly recommend it.

Love the style!

12/1/2009

I absolutely loved this unique style of suit. I am a big fan of the monokini. I am pear shaped and I enjoy the fact that the detail on the top brings the attention off my lower section. I also appreciate that the sides on the bottom aren't too thin and don't cut into my hips, like most styles of the monokini. I also like that the back does not have those annoying ties to worry about them coming undone or having to reach around and tie them. The only bad part is it fits a little awkward. It is a little long in the torso, yet the back rides

IMPORTANT NOTICE REGARDING YOUR TRADEMARK APPLICATION

Your trademark application (Serial No. 77527926) has been reviewed. The examining attorney assigned by the United States Patent and Trademark Office ("USPTO") has written a letter (an "Office action") on 12/29/2009 to which you must respond (*unless the Office letter specifically states that no response is required*). Please follow these steps:

1. Read the Office letter by clicking on this link http://tmportal.uspto.gov/external/portal/tow?DDA=Y&serial_number=77527926&doc_type=REC&mail_date=20091229 OR go to <http://tmportal.uspto.gov/external/portal/tow> and enter your serial number to access the Office letter. If you have difficulty accessing the Office letter, contact TDR@uspto.gov.

PLEASE NOTE: The Office letter may not be immediately available but will be viewable within 24 hours of this e-mail notification.

2. Contact the examining attorney who reviewed your application if you have any questions about the content of the Office letter (contact information appears at the end thereof).

3. Respond within 6 months, calculated from 12/29/2009 (*or sooner if specified in the Office letter*), using the Trademark Electronic Application System (TEAS) **Response to Office Action form**. If you have difficulty using TEAS, contact TEAS@uspto.gov.

ALERT:

Failure to file any required response by the applicable deadline will result in the **ABANDONMENT** (loss) of your application.

Do NOT hit "Reply" to this e-mail notification, or otherwise attempt to e-mail your response, as the USPTO does NOT accept e-mailed responses.
