APPLICANT'S REQUEST FOR A 30 DAY EXTENSION OF TIME

Sir:

Appellant, Meridian Health System, Inc., by and through its undersigned counsel, respectfully requests a 360 day extension of time from the TTAB in which to file its brief in the Appeal of the Final Refusal to Register the above captioned trademark.

Appellant has obtained the consent to register the above-captioned trademark from the owner of the cited registration that is the basis of the final refusal. Applicant requests an additional 30 day extension of time for the parties to exchange the executed and counter executed consent as both parties have now obtained the necessary approvals by their respective boards of directors. Applicant states further that this third and final request for an extension of time is not made for purposes of delay.

Respectfully submitted,
