**By the Trademark Trial and Appeal Board:**

The above captioned appeal is fully briefed and ready for decision. The sole issue for consideration in this appeal is whether applicant's mark is likely to cause confusion with cited Registration No. 2824586.

On April 7, 2010, applicant informed the Board that cited Registration No. 2824586 has been assigned to applicant, and submitted a copy of the assignment document.<sup>1</sup>

In view of the assignment to applicant, the appeal is dismissed as involving a moot question and jurisdiction is restored to the Examining Attorney for appropriate action.
