BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

Application Serial No.	77804055
Applicant	RSI Development LLC

## Notice of Appeal

Notice is hereby given that RSI Development LLC appeals to the Trademark Trial and Appeal Board the refusal to register the mark depicted in Application Serial No. 77804055.

Applicant has filed a request for reconsideration of the refusal to register, and requests suspension of the appeal pending consideration of the request by the Examining Attorney.

The refusal to register has been appealed as to the following classes of goods/services:

- Class 006.

All goods and services in the class are appealed, namely: Metal building materials, namely, tubes and pipes; scaffolds; reinforcing material of metal for building purposes; metal cladding plates for construction; building flashings; chimneys; gates; stair cases, prefabricated metal platforms, metal partitions; metallic frames, namely, metal door frames, metal greenhouse frames, metal window frames, steel frames for building; metal multilayered panels, namely, composite panels composed primarily of metal, floor panels of metal, metal ceiling panels and metal fence panels, metal sidings, cladding of metal for construction and building; metal covers in the nature of construction materials, namely, metal vent covers for HVAC ducts; laminated or shaped sectional metal building materials, namely, heavy sections in the nature of beams, steel sections in the nature of profiles, joists, sheet piles and girders; metal pylons in the nature of reinforced beams and poles; reinforcing materials of metal for concrete; transportable metal buildings; portable metal building, namely, metal shelters and component part therefore; constructions made out of metal sections for residential use, which can also be used as small commercial or industrial premises, namely, prefabricated metal building, metal storage shelters; metal materials for railway tracks, namely, rails and their components and metal tracks for use by rail vehicles in the nature of rails of metal; metal crossbars, metal crossbeams; non electric cables and wires of common metal; non electric wire of common metal, namely, wires to be welded, wire rod, metal soldering wire, barbed wire, flat wires, drawn wires; metal hardware, namely, pulleys, springs, nails, nuts and washers; metallic grates, namely, fireplace grates; metallic screens, namely, metal window screens; metal fences, namely, metal chain link fences and metal wire fences; wire mesh and wire cloths; bolt and nails industry products, namely, bolts of metal, eye bolts, metal door bolts and nails; sheet metal; metal ferrules for canes; frames of metal for building; metal containers, namely, metal fluid storage tanks, water tanks of metal for household purposes, containers of metal for transport, and general purpose metal storage containers; metal boxes, namely, welded metal boxes and their components in the nature of bases of welded boxes; metal sealing rings; sealing caps of metal, cans of metal and metal lids for same; crossbeams, retaining tubes, front plates, profiles, carrier rails; ironmongery, namely, in the nature of small items of metal hardware, namely, rivets, bolts, retaining angles, mounting corners, roof hooks, metal threaded fasteners, nails, screws, brads, clamps, pins, nuts, washers, pulleys, springs; goods of common metal, namely, anchors, gutters, interconnection pieces for roofs; frameworks of metal for buildings; profiles for arranging devices on and in walls, ceiling and other surfaces; architectural metalwork; electric wire; and copper plumbing fixtures and parts

- Class 019.

All goods and services in the class are appealed, namely: Non-metallic building materials, namely, non-metal beams, joists; rigid non-metal pipes; non-metal tubes; reinforcing material for building purposes; sewer pipes; non-metallic profiles; flooring, namely, parquet, rubber, and wooden flooring, non-metal floor tiles and non-metal floor panels; multi layered panels, namely, composite panels not composed primarily of metal; non-metallic construction materials, namely, ceiling panels and fence panels, sidings cladding for construction and building; non-metallic transportable buildings; non-metallic rigid pipes for building, namely, non-metal gutter and water pipes; non-metallic monuments, namely, monument of stone or concrete; non-metal frameworks for buildings; common sheet glass, cellular PVC trim; non-metal doors; non-metallic door casings, door frames, door trims and panels; non-metallic prefabricated platform stages;

semi-worked wood for building and wood used to be shaped; non-metallic construction elements, namely, brackets, supports, and props not of metal for building, namely, non-metal interconnection pieces for roofs; stones for building and construction; non-metallic refractory construction materials; non-metallic bituminous sheet materials and fired refractory materials; logs, marble and synthetic flooring materials or wall-claddings for building oil distribution pipes; asphalt, pitch and bitumen; cement mixes; non-agricultural lime for use in construction, mortar, plaster and gravel; sandstone or cement pipes; non-metallic chimneys; synthetic building materials made of foamed synthetic material; concrete; surfaces made of grouting cement, finished mixtures for surfaces made of grouting cement; plywood, veneer for floors, parquet flooring made of cork, cask wood, planks, xylolith, fiberboard, fire burrs, stone slates, stones, cobbles and boulders; mortars, slate, granite, marble, artificial stone, plasterboard, tiles, not of metal, for building, ceramic tiles; mantelpieces; non-metal windows; non-metal gates; non-metal water pipes; non-metal ceiling panels; non-metal staircases; glass blocks for building; slabs of marble, granite, slate, stone, cultured stone, feldspar, limestone, liparite, silica stone, quartz, fabric for underlayment of flooring; flooring underlayments; flooring underlayment made of cork, construction materials, namely, a nonmetal sub-floor membrane for residential and commercial soundproofing use; and associated caulking and adhesives
