Denise M. DelGizzi,
Technical Program Manager:

The captioned parent application was divided and forwarded to the Trademark Examining Attorney for further examination on March 3, 2013. Action on the child application was suspended pending a determination in the parent application. On April 22, 2013, the Examining Attorney issued an action on remand and returned the parent application to the Board for resumption of the appeal.

Accordingly, the parent and the child appeals are both resumed and submitted for a decision. A decision will issue in due course.
