A NOTICE OF OPPOSITION**

TRAD. TRIAL & APPEAL BOARD

Dear Sir:

Stride Tool, Inc., a corporation of the State of Delaware having a principal place of business at 46 East Washington Street, Ellicottville, New York 14731, through its attorney, pursuant to 37 C.F.R. § 2.102, requests that the time for opposing the registration of the above-identified mark IMPERIAL, Serial No. 78/039,936, be extended thirty (30) days until November 18, 2002. This is the second request filed by potential opposer Stride Tool, Inc. to extend time for filing an opposition to the registration of the above-identified mark. This second request to extend time for filing an opposition is necessary because potential opposer and applicant MEVA Schalungs-Systeme GmbH are engaged in settlement discussions

which may obviate the necessity of filing a Notice of Opposition and the parties need additional time to reach agreement or determine that agreement is impossible.

The attorney of record for applicant stipulated to this second request for extension in a telephone voice mail message to opposer's attorney on October 16, 2002.

This request is submitted in triplicate in accordance with 37 C.F.R. §2.102(d) and a copy has been served on applicant's attorney of record.

Respectfully submitted,

Date: 10/17/02
