**Amendment to Trademark Application
Alteration of the Mark**

Reference ser. #78053176

Attn. Mr. Darrell Spruill (Examining Attorney)

Date, May 22, 2003

Dear Sir,

After consultation with you and our own attorney, it is our understanding that the alteration of our mark as described below will not require our application to be republished in the official Gazette. We are basing this decision on that understanding. If you decide for some reason that it must be republished then we **Do Not** want to alter our mark.

We are making this amendment after reaching an agreement with another company that would oppose our application for the current mark.

Please amend our application to show that we wish to drop the words "**kettle corn**" from the mark entirely leaving only "**Colonial**" as the mark:

Previous Mark- Colonial Kettle Corn

Revised Mark- Colonial

Thank you for your consideration in this matter

Respectfully Submitted
