On March 12, 2003, applicant filed a paper requesting that the Board suspend action on the appeal, pending a final determination in its petition to cancel Registration No. 2219279, cited by the Trademark Examining Attorney as a Section 2(d) bar to registration of applicant's mark.

The request to suspend is granted.

The appeal is suspended until two months from the mailing date of this order to allow the Board time to receive and process applicant's petition. If the petition is found sufficient, the Board will then suspend the appeal pending a final resolution in the cancellation proceeding.
