**REQUEST FOR SECOND EXTENSION OF TIME TO FILE
NOTICE OF OPPOSITION**

Madam:

Core-Mark International, Inc., a Nevada corporation having its principal place of business 395 Oyster Point Boulevard, Suite 415, South San Francisco, CA 94080, by and through its attorneys hereby requests that the Board grant an additional thirty (30) day extension of time to file a Notice of

Opposition to registration of the SMARTSTATION service mark by applicant in the above-referenced case. The opposition period is presently set to expire March 10, 2003, and the requested extension of time would re-set the opposition deadline to April 9, 2003 for Core-Mark International, Inc. This is the third request for an extension of the opposition period in this matter.

This request is not made to unduly delay proceedings in the Patent and Trademark Office. The extension is required to provide additional time for the potential opposer to gather information concerning the applicant's proposed use of the mark in question so that a decision can be made as to whether an opposition should be filed. It is believed that this constitutes good cause for the request.

This request is being submitted in triplicate as required by 37 C.F.R. §2.102(d).

Respectfully submitted,

Dated: March 3, 2003
