AGREED MOTION FOR EXTENSION OF TIME TO FILE AN OPPOSITION

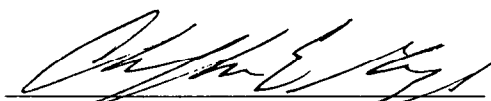

In connection with the above identified Application, **Nextel Communications, Inc.** requests an extension of time to file an Opposition to and including **March 15, 2004**. A request for an extension of time to and including February 14, 2003 has already been filed.

The parties continue to make forward progress towards settlement. For example, the parties have negotiated a confidentiality agreement during previous extensions of time. The parties have exchanged additional information relevant to the settlement and they continue to narrow the issues in this matter. This extension is necessary to allow for the review of exchanged information and use of the information in drafting a settlement agreement. Applicant's counsel, Barb Izzo, consented to this extension on January 27, 2004. This request is not sought for purposes of delay. It is respectfully requested that this request be granted.

This request is submitted in triplicate in order to facilitate notification to all parties.

Respectfully Submitted,

February 17, 2004
