REQUEST FOR FURTHER EXTENSION OF TIME TO OPPOSE

Macrovision Corporation hereby requests a third extension of time, for 30 days, to oppose the registration of the "FLEXSELECT LICENSING" mark, Application Serial No. 78/192976.

A first request for extension of time to oppose was granted through September 20, 2003.

As grounds for its request for the extension, Macrovision Corporation states that it has contacted Computer Associates regarding the application for "FlexSelect Licensing" and has attempted and is attempting to resolve the matter amicably, without the need for filing an opposition.

It is our understanding that no fee is required to process this extension, but if any charges are payable, please charge them to Deposit Account No. 50-2257.

Dated: October 16, 2003

Respectfully,

Macrovision Corporation
