REQUEST FOR EXTENSION OF TIME TO FILE OPPOSITION

Opposer, VTI Technologies Oy, is a Finnish corporation having an office in Vantaa, Finland. Opposer believes that it will be damaged by applicant's registration of VTTI WIRELESS and respectfully makes this request that the time for filing a Notice of Opposition against the registration of the above-identified published application be extended for thirty (30) days until November 26, 2004.

This extension is necessary as the parties are discussing settlement and are in the process of reviewing the settlement documentation and expect to reach final settlement and thereby avoid the need for any opposition proceedings.

10-25-2004

Opposer has conferred with counsel for Applicant, Virtual Transactions Technologies, Inc., who has agreed that the extension is necessary for the reasons presented above.

This Request is being submitted in triplicate as required by 37 C.F.R. § 2.102(d).

Respectfully submitted,
