On December 22, 2005 the Board indicated that the file of the above-identified application was being forwarded to the Trademark Examining Attorney for review of applicant's amendment filed December 13, 2005. The file, however, was not timely forwarded to the Trademark Examining Attorney.

In view thereof, the file is herewith resubmitted to the Trademark Examining Attorney for consideration of the amendment. In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its brief on appeal.
