Petitioner, Otto Engineering, Inc., with its corporate headquarters at 2 Main Street, Carpentersville, Illinois 60110, believes it may be damaged by registration of the mark identified above. Through prior extensions totaling ninety (90) days, the original opposition deadline of June 10, 2004 has been extended to September 8, 2004. Petitioner respectfully requests that the time for filing a Notice of Opposition against the registration of the above-identified published application be extended for an additional sixty (60) days, up and until November 7, 2004. Applicant through its authorized representative, Thomas Chan (of the law firm of Chan Law Group LC), has consented to this additional sixty day extension. This requested extension is being made to afford the parties time to pursue an amicable resolution of this matter.
