**SECOND REQUEST FOR EXTENSION OF TIME WITHIN WHICH
TO FILE NOTICE OF OPPOSITION**

Pursuant to Rule 2.102 of the Trademark Rules of Practice, Canyon Specialty Foods, Inc. ("Potential Opposer") requests that the United States Trademark Trial and Appeal Board grant Potential Opposer a sixty (60) day extension, from 2005-06-11, within which to file a Notice of Opposition in the above Application.

Potential Opposer does not request such extension for the purpose of delay, but believes that it may be damaged if Applicant's mark is registered because of Potential Opposer's prior use of CANYON, which is the subject of R.N. 1,971,007.

As Attorney for Potential Opposer, I will attempt to confer with Applicant's Attorney, about this Request.

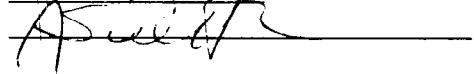

Respectfully submitted,
