The Board's order of October 30, 2006 requested applicant to either pay an additional \$100 appeal fee, or to advise the Board which class the applicant wished the appeal to go forward in. There has been no response thereto. Accordingly, this appeal will go forward ONLY in the lowest numbered class, which is Class 35.

The request for reconsideration filed October 25, 2006, requires consideration by the Trademark Examining Attorney. The appeal is suspended and the file is herewith remanded to the Examining Attorney.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board. Proceedings in the appeal will be resumed with respect to Class 35, and applicant will be

allowed time in which to file its brief on appeal. If the refusal of registration with respect to Class 45 is maintained by the Examining Attorney, the application in that class will be deemed abandoned.
