Monique Tyson, Paralegal Specialist:

After publication for opposition, potential opposer Sentra Industries filed and was granted an extension of time to oppose until September 20, 2006.

In an order signed by the Chief Administrative Trademark Judge on July 14, 2006, all extensions of time filed by Leo Stoller and the entities controlled by him since November 2005, were vacated as a sanction. See attached Order.

Accordingly, the extension(s) of time to oppose this application is VACATED. The application will proceed to issuance of a notice of allowance or registration certificate in due course.
