**SECOND REQUEST FOR EXTENSION OF TIME
FOR FILING A NOTICE OF OPPOSITION**

Commissioner For Trademarks
Box TTAB No Fee
P.O. Box 1451
Alexandria, Virginia 22313-1451

Dear Sir:

In the matter of the above-identified application that was published in the *Official Gazette* on September 26, 2006, National Association of Realtors, 430 N. Michigan Avenue, Chicago, IL

11-30-2006

60611, respectfully requests that the time for filing a Notice of Opposition to the above-referenced application be extended for an additional sixty (60) days, from November 25, 2006 to and including January 24, 2007.

This is the second request for an extension of time to oppose the above-referenced application. The first request for an extension of time, which requested a thirty (30) day extension, was filed electronically. In the first request for extension of time, the potential opposer's correspondence information was given as Michael Thiel, National Association of Realtors, 430 N. Michigan Avenue, Chicago, IL 60611. Mr. Thiel is one of the in-house attorneys for National Association of Realtors.

Apparently, in the first request for extension of time, the name of Michael Thiel rather than National Association of Realtors was mistakenly entered in the potential opposer information box on the electronic form. It is noted that the first request for extension of time to oppose identifies the potential opposer as "a non-profit Association, organized under the laws of Illinois." This company information corresponds to the National Association of Realtors. However, the request to extend time to oppose was granted on behalf of potential opposer Michael Thiel (the in-house attorney for the National Association of Realtors). Accordingly, it is respectfully requested that the request to extend time to oppose be granted on behalf of potential opposer National Association of Realtors as set forth above. Trademark Rule 2.102(b).

The extension is necessary in order to allow the potential opposer additional time to investigate the claim and to confer with counsel regarding the potential opposition.

The foregoing request is made in good faith and not for the purpose of delay.

Respectfully submitted,

Dated: November 27, 2006
