Monique Tyson, Paralegal Specialist:

On March 5, 2008, applicant filed a request for remand of application to the Trademark Examining Attorney. The applicant seeks to have the Examining Attorney review its request to amend the application.

In view of the reasons given therein, the request for remand is granted. Action on the appeal is suspended, and the file is reamanded to the Examining Attorney.

In the event registrability is found, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its brief on appeal.
