Denise M. DelGizzi, Supervisory Paralegal Specialist

On October 19, 2007, applicant filed a notice of appeal and a request to divide.

The appeal is hereby instituted. However, proceedings in the appeal are suspended while the Intent to Use Branch of the Office considers the request to divide.

When processing of the request to divide is completed, the Board should be so informed so appropriate action may be taken on the "parent" and the newly created "child" cases.
