REQUEST FOR REMAND

Edwards Limited ("Applicant"), a company located at Manor Royal Crawley, West Sussex RH10 9LW, United Kingdom, respectfully requests that the Trademark Trial and Appeal Board remand jurisdiction over the trademark application bearing U.S. Serial Number 79/057,965 back to the Examining Attorney, Edward Fennessy of Law Office 114. Applicant filed a Notice of Appeal with the Trademark Trial and Appeal Board for the instant application on Friday, November 20, 2009.

In accordance with a telephone conversation between Applicant and the Examining Attorney on the afternoon of Monday, November 23, 2009, Applicant agreed to amend the identification of goods in the instant application as to International Classes 7 and 9, and the Examining Attorney agreed to review Applicant's amendments and proffer further objections if necessary, or withdraw the original refusals if the amendments are found to be sufficient.

Pursuant to TMEP § 1504.05, "[t]he Board, on its own initiative or in response to a request, may remand an application to the examining attorney for consideration of specific facts or issues." Here, Applicant respectfully submits that its proposed amendments will give rise to new, specific issues that necessitate the Examining Attorney's review, and that may be constructively resolved without the need for an expensive and lengthy formal appeals process.

Applicant, by its undersigned attorneys, prays that its Request for Remand for U.S. Serial No. 79/057,965 be granted.

Respectfully submitted,

EDWARDS LIMITED
