**REQUEST FOR RECONSIDERATION DENIED**

ISSUE/MAILING DATE:

INTERNATIONAL REGISTRATION NO. 0535071A

On January 06, 2011, this file was remanded to the Trademark Examining Attorney in order to enter into the record applicant's 02/24/2010 amendment to the identification of goods. Accordingly, the amendment has now been entered into the record.

Although, applicant's amendment to the identification of goods was not entered into the record, in all subsequent actions, including the Final Action dated 03/29/2010 and the Action Denying Applicant's Request for Reconsideration dated 10/13/2010, the Section 2(d) Likelihood of Confusion Refusal was restricted to applicant's 02/24/2010 amended identification.

In the present case, applicant's request for entry of its 02/24/2010 amended identification does not resolve the outstanding issues, nor does it raise a new issue or provide any new or compelling evidence with regard to the outstanding issues in the final Office action. Accordingly, the request is denied. The Board has been notified to resume the appeal. See TMEP §715.04(a).
