Notice of Appeal

Notice is hereby given that Dana-Farber Cancer Institute, Inc. appeals to the Trademark Trial and Appeal Board the refusal to register the mark depicted in Application Serial No. 85258516.

Applicant has filed a request for reconsideration of the refusal to register, and requests suspension of the appeal pending consideration of the request by the Examining Attorney.

The refusal to register has been appealed as to the following classes of goods/services:

- Class 042.
All goods and services in the class are appealed, namely: Medical and scientific research services, namely, identifying genetic characteristics that affect patients' likelihood or inherited risk of developing cancer and their responsiveness or resistance to cancer treatments and therapies, and the reasons for such likelihood, inherited risk or resistance, and that are useful in helping to predict the prognosis, clinical course, and likelihood of recurrence of patients' cancers, illnesses or malignancies and the effectiveness of treatments and therapies therefor
- Class 044.
All goods and services in the class are appealed, namely: Medical services, namely, developing and administering cancer treatments and therapies based on or that take into account the genetic characteristics or composition of patients

Respectfully submitted,
