**MOTION FOR REMAND OF APPLICATION, IN LIEU  
OF FILING THE APPEAL BRIEF, TO EXAMINING ATTORNEY FOR  
CONSIDERATION OF AMENDMENT TO THE SUPPLEMENTAL REGISTER**

Commissioner for Trademarks  
P.O. Box 1451  
Alexandria, VA 22313-1451

Sir:

This is a motion by applicant seeking remand of the application to the examining attorney, in lieu of filing a brief, for consideration of the voluntary amendment of the application to the supplemental register filed on 8 May 2013. The only extant rejection of the application by the examining attorney is that the mark is primarily merely descriptive, which rejection applicant traverses again. The amendment to the supplemental register obviates the extant rejection of the mark, thereby mooting this appeal.

It is believed that the amendment to the supplemental register places the application in condition for publication, and subsequent registration.

An amendment alleging use of this mark is being filed concurrently with this motion.
