Millicent Canady, Paralegal Specialist:

Applicant's request for remand filed February 12, 2013
is noted.

Applicant seeks remand in order for the Trademark
Examining Attorney to consider an amendment to the
application. Good cause having been shown, the request for
remand is granted, action on the appeal is suspended, and
the file is remanded to the Trademark Examining Attorney for
consideration.

If the amendment is accepted and the application is
approved for publication then the Board should be so
informed. If the amendment is found unacceptable, the
Examining Attorney should issue an Office Action indicating
the reasons why the proposed amendment is unacceptable and

Serial No. 85459999

notify the Board, which will then allow applicant time to file its appeal brief. However, if the Examining Attorney believes that the problems with the proposed identification can be resolved, the Examining Attorney is encouraged to contact applicant, either by telephone or written Office Action, in an attempt to do so.
