**Technical Program Manager:**

On January 11, 2013, the Examining Attorney filed a request to suspend action on the appeal pending a determination in the cited registration. Registration No. 3190212, the registration which forms the basis for refusal under Section 2(d) was registered on December 26, 2006. Accordingly, a Section 8 affidavit of use was due to be filed by December 26, 2013, or within the six-month grace period following that date. Office records do not reflect the filing of such a paper as yet. If the Section 8 affidavit is not filed within the six-month grace period following the due date, the cited registration will automatically be cancelled by this Office approximately one month and five days after the close of the grace period.

Accordingly, the Board hereby suspends action on this appeal pending a determination as to whether the cited registration has been cancelled. The status of the cited registration will be known on approximately July 31, 2013.
