In re Larry A. Donoso

Serial No. 85571928

Filed: 3/16/2012

Victoria von Vistauxx, Paralegal Specialist:

Applicant's request for sixty days extension of time filed on January 4, 2016, is noted. Applicant seeks the instant extension of time so that the Trademark Examining Attorney may review Applicant's "original sepcimens."

Accordingly, good cause having been shown, the above captioned appeal proceeding is suspended and the file is remanded to the Trademark Examining Attorney for consideration of Applicant's new evidence.

If the Trademark Examining Attorney, after review of Applicant's request, maintains the refusal of the registration of the subject application, the Trademark Examining Attorney should issue an office action so indicating, and return the file to the Board which will then allow Applicant time to file its Appeal brief.
