REQUEST TO EXTEND TIME
FOR APPLICANT TO FILE APPEAL BRIEF

Pursuant to Section 1203.02(d) of the Trademark Trial and Appeal Board Manual of Procedure, TBMP § 1203.02(d), Applicant, Larry A. Donoso, by and through the undersigned counsel, hereby respectfully requests that the Trademark Trial and Appeal Board extend the time by sixty (60) days, through and including December 23, 2015, for Applicant to file an Appeal Brief in connection with the above-identified United States Trademark Application.

Good cause in support of this Request is present inasmuch as the Examining Attorneys responsible for the instant Application granted and conducted a personal interview with Applicant, Dr. Larry A. Donoso, and the undersigned on September 1, 2015 at the United States Patent and Trademark Office in order to discuss and attempt to resolve the outstanding issues

connected with this and other co-pending applications now on appeal. As a result of this personal interview, the Examining Attorneys have requested additional information regarding this and the other co-pending applications in an effort to reconsider the issues now on appeal. Accordingly, granting this Request should enable the Examining Attorneys and Applicant the time to submit and consider the additional information in connection with this and the other co-pending Applications.

Applicant wishes to thank the Examining Attorneys for the courtesies extended in granting and conducting the personal interview in connection with this Application.

This Request is made in the interests of justice, not for the purposes of undue delay, and granting such an extension should result in economies of time and expense to the Trademark Trial and Appeal Board as well as the Applicant in connection with this and other pending Applications.

CONCLUSION

WHEREFORE, for the foregoing reasons, Applicant respectfully requests that the Trademark Trial and Appeal Board grant this request to extend the time for Applicant to file an Appeal Brief in the above-identified Application.

The Commissioner is hereby authorized to charge any deficiencies or credit any overpayment related to this submission to Deposit Account Number 50-5017.

Respectfully submitted,
